## About the Festival

The Pahrump Chili Cook-off Festival is a three-day celebration featuring:

-  Carnival rides & games
-  Live entertainment
-  Chili cook-off & food contests
-  Car & motorcycle show
-  Dog fashion show
-  Vendors, shopping & family fun

With thousands of attendees expected from across Nevada and beyond, the festival offers businesses a unique opportunity to connect with the community while supporting 3 good causes.

This year we are donating proceeds to the Pahrump Disability Outreach Program, Bikers Against Bullies, and the Pahrump Youth Theatre Co.

All 3 organizations help and give back to our community all year round as well as help our youth in the community stay educated, safe, and teach them how to stay involved with helping those around them.

## Why Sponsor?
