

Build Nights!

AN EVENING OF COMMARADERIE, SHARING AND FUN!

Join us at one of our many Build Nights! Share ideas, techniques, opinions...always opinions! The banter flows freely and the hours fly by much too fast. Just about the only restriction is paint...no rattlecan or airbrushing....bottle and brush are fine. Club membership is not required.

WHERE AND WHEN... The ROCCity Scale Modelers meet typically every Thursday at the Sea Breeze Bill Grays for Build Night from 6:00-9:00. Grab dinner or a beverage... they have a full bar too! See our website, ipmsrochester.org or visit us on facebook, IPMS Rochester New York - ROC City Modelers for more information!

Stop in and see what we're about!
