

# You Are Not Alone!

## SCALE MODELING DOES NOT HAVE TO BE A SOLITARY HOBBY!

Whether its tanks or planes, ships or cars oh and figures too....Young or old, guys or gals... All are welcome. Come share your tales in styrene and resin...pass on what you know and maybe learn a thing or two from others. Skill level isn't whats important... Enjoyment in the hobby is!

**WHO WE ARE...** The ROCCity Scale Modelers is the Rochester area chapter of International Plastic Modelers' Society (IPMS). We meet typically on the first Monday of each month at the Church of the Assumption, 20 East Ave, Fairport. We also have weekly build nights...a relaxing evening of camaraderie and fun, at the Sea Breeze Bill Grays.
