

2020 Membership Registrar's report

The membership database is updated every Friday by Cycling UK . This report is based on 23rd March 2022 information. The current membership is 1469. Last year it was 1454.

I have asked CUK to add all regular active riders both inside and outside the allocated postcodes to our member list. We will use this to communicate to members via email. 80 riders are on this list.
