

# SAVE 63 TIFFANY

We've been here 30 years. We are part of the fabric of this community and we deserve to be able to stay and age in place. That's why we're demanding that our landlord Irving Langer, sell the building to us, & that the city & the state pass TOPA & COPA to protect tenants against other predatory landlords.

Speakers include:

AM Marcela Mitaynes  
Sen Zellnor Myrie  
NYC Comp Brad Lander  
CM Shahana Hanif  
AM Jo Anne Simon  
CM Alexa Aviles  
BK BP Antonio Reynoso  
NY PA Jumaane Williams

63 Tiffany's LIHTC and affordability requirements are expiring and the tenants association has been organizing to save our homes. We have partnered with a preservation buyer who is close to making an offer, but the landlord has recently cut negotiations with the tenants & appears to be about to sell the building out from under us.

**WE DEMAND TO STAY IN OUR HOMES! PLEASE COME SUPPORT US!**

**WHEN:** October 31, 2024 @ 10am
