My family and I would like to extend a warm welcome back to the Royal Oak Ecchinswell and would like to thank the local community for all their support in these unprecedented times. Whilst we appreciate visiting may be daunting, we would like to reassure you of all the measures we have taken and processes we have instigated to ensure a safe environment to once again interact and gain some normality in this crazy world. These include:

Revised opening hours

Preparation for customers

- ❖ Staff training and assessments
- ❖ Covid 19, Risk Assessments completed
- ❖ Deep clean of all our premises (along with a fresh lick of paint too!)

New Pub Experience – what to expect

- ❖ Please ring door bell and wait for a member of staff to greet you, please be patient with us
- ❖ Given the layout of our historic premises the toilets will need to be a 'one person in, one person out procedure' your dedicated server will be able to explain more

Please note

- ❖ Adults are responsible for the social distancing of their children
- ❖ Do not move furniture as these have all be positioned for social distancing.
- ❖ Police regularly patrol our premises so your compliance is welcomed.
- ❖ Contactless payments encouraged and preferred

These circumstances are new for all of us, we would request, if you see that we are doing something wrong please talk to us about it before voicing opinions on social media. As keeping the community safe has been a key priority for us but the protocol is rapidly changing with frequent updates!

We love our village and you are like our extended family, therefore if you start to feel unwell, show any symptoms or have a positive test to your results, please get in touch immediately so we can action the track and trace system and contain any spread and protect our loyal locals.
