What is the Progressive Dinner?

The Meredith Gardens Board of Directors have been coordinating a neighborhood Progressive Dinner for over 50 years! It is an **adults-only** evening that brings together all corners of our neighborhood. Everyone meets at the same house to start off the evening with drinks and appetizers. Here you will learn where you will be eating dinner with a small group of neighbors (usually 8-10 people). At 7:00 everyone breaks off to enjoy dinner at their assigned dinner house. After dinner, everyone will meet up again to enjoy desserts and after dinner cocktails. You will be assigned a single dish to bring to your dinner house after you submit your RSVP via e-mail. Are you new to the neighborhood? This is the event for you! The Progressive Dinner has proven to be a “game changer” event for new neighbors in making them feel welcome and connected to the Meredith Gardens community. Whether you’ve been here for 30 years or just moved in last year, we’d love to have you!

What’s new/different this year?

There are a few changes to this year’s progressive dinner. First, because we were unable to host our annual shareholders meeting in January, we will be including a brief presentation during the appetizer portion of the evening which will include a fiscal update, events calendar, board introductions, and community/park updates. Second, we’re so excited to have the Progressive Dinner event back on the calendar we’re adding a few new things to make the night extra special including catered appetizers, bartenders, and live music at the appetizer house!

Could you be a dinner house?

We are looking for several people who would be willing to open their home as a “dinner house”. You are not required to provide any food, just a place for people to gather and eat. Let us know in your RSVP if you’d be willing to share your home with a few other people.
