### Progressive Dinner Details

The Progressive Dinner is an **adults-only** evening that brings together all corners of our neighborhood. We will all meet at a designated appetizer house, which is where you will also learn where you will be dining. At 7:00 we will disperse to our “dinner houses” throughout the neighborhood. A couple hours later, we will once again meet for drinks, dessert, and merriment. You will be assigned a single dish to bring to the event after you have submitted your RSVP via e-mail. If you are new to the neighborhood, this is an excellent way to meet new people and connect with your neighbors. Whether you’ve been here for 40 years, or just moved in, this event is for you!

### We Need “Dinner Houses”

We are looking for several neighbors who would be willing to open their home as a “dinner house”. You are not required to provide any food, just a place for people to gather and eat (ideally, 8 - 12 people). Let us know in your RSVP if you’d be able to share your home with a few of your neighbors on June 1st.
