School Library

School Library with seating capacity of more than 50 students at a time with huge collection of books, periodicals, etc. We have various types of books- fictional, non-fictional, literature, books and general knowledge, etc.

Science Laboratory

Science lab in school provide students with a safe environment to conduct experiments, make observations, and explore scientific concepts. Lab can help students develop scientific reasoning skills, understand the complexity of empirical work, and investigate chemical properties and reactions.

Computer Laboratory

Our advance Computer lab provide students with hands-on learning opportunities, allowing them to apply theoretical concepts in a practical setting. They can experiment with software applications, explore the internet, and learn programming languages, among other things. This helps to reinforce their understanding of computer-related concepts and improve their problem-solving skills.

Music and Instruments

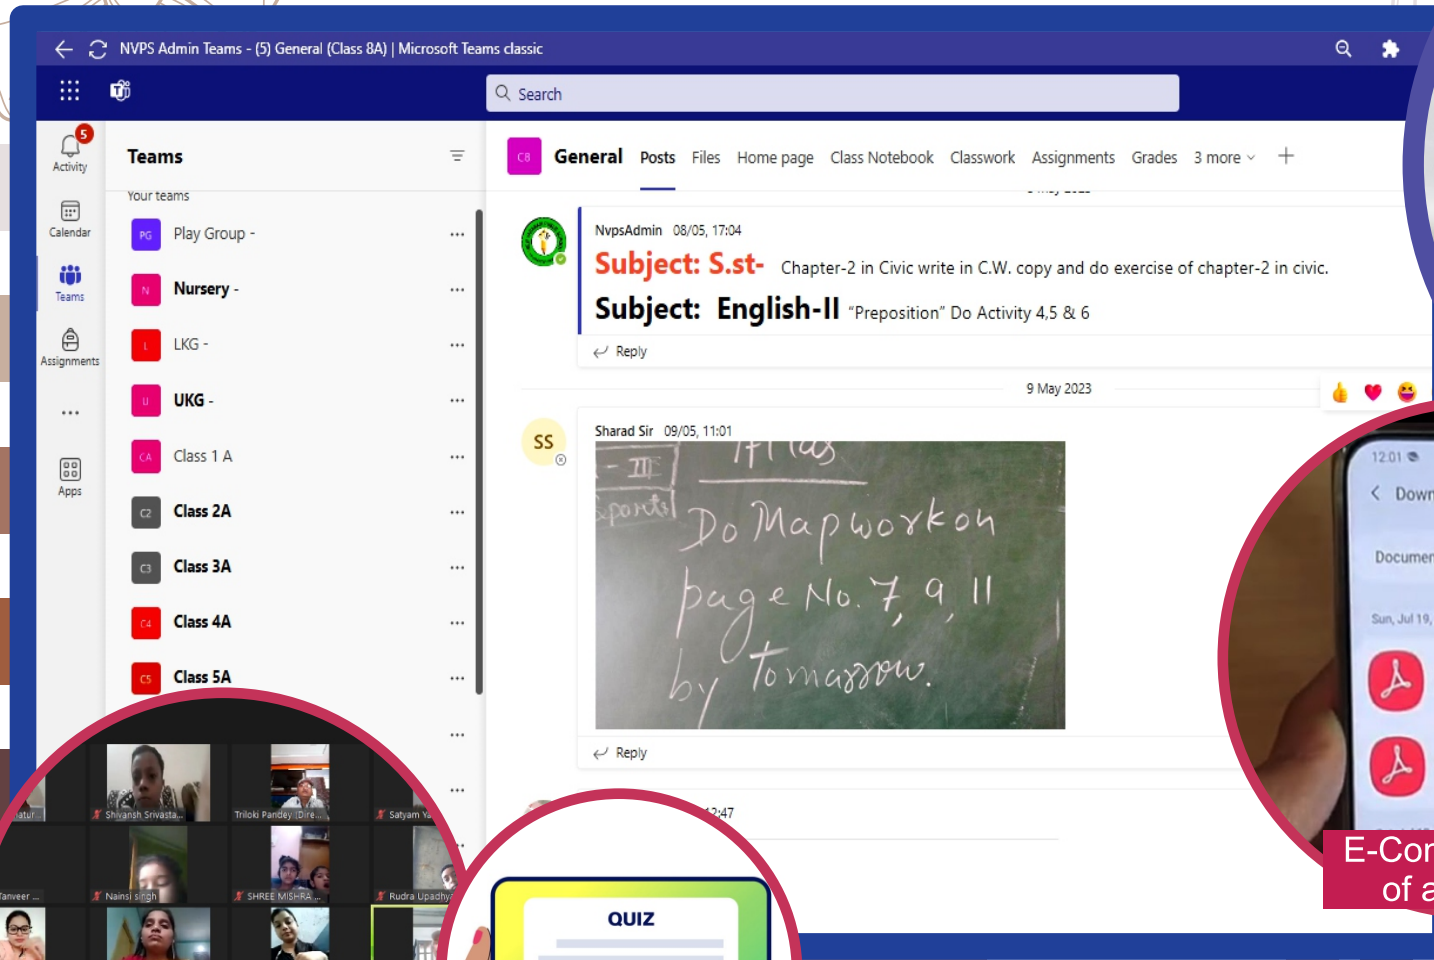

The benefits of music education are immense and highly beneficial to the students. Music positively impacts a child's academic performance, assists in developing social skills, and provides an outlet for creativity that is crucial to a child's development.

Smart Classroom

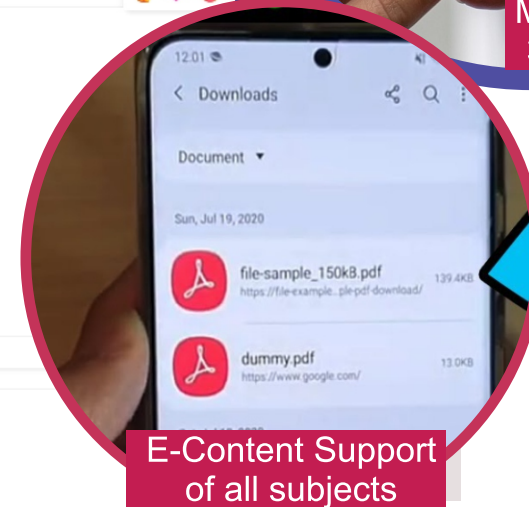

Our Smart Classroom is for visual learning using smart technology elements like images, graphs, flow charts, videos, etc are considered highly effective and help students grasp the concepts quickly. Smart classrooms also reduce distractions, and therefore, students can concentrate more and retain more information.

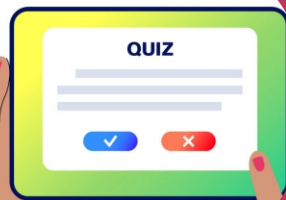

Smart Homework

Mobile and PC Apps
365 for All Students

E-Content Support
of all subjects

Online Quiz

Virtual Classroom
Support

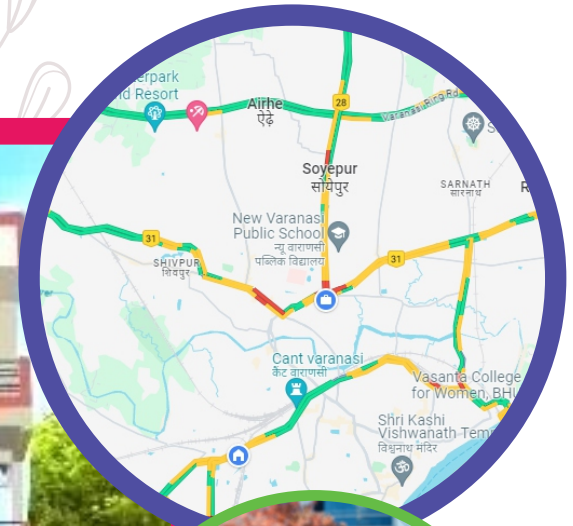

Microsoft Teams for teachers and students is designed to help schools achieve more together: by fostering deeply engaged classrooms, strengthening professional learning communities, and tailoring more effective school communication, Homeworks, Class notes, Assignments etc.

24*7 CCTV Security

School safety is a fundamental aspect of education that creates a safe and nurturing environment for students, staff, and the community. It addresses potential threats to the well-being of students.

Better Transport

Live Tracking

BUS With CCTV

Notification
For Transport

In order to maintain a safe & secure environment for all the bus commuters we follow safety rules. GPS Based Live tracking of bus, monitoring by CCTV also on road to ensure our students safety.

Extracurricular Activities

Extracurricular activities provide a channel for reinforcing the lessons learned in the classroom, offering students the opportunity to apply academic skills in a real-world context, and are thus considered part of a well-rounded education.

School Amenities

RO Water Purification

Separate Boys Washroom

Fire Extinguisher

Fire Hose Reel

24/7 Green Energy

Separate Girls Washroom

24*7 Power Supply in School ensured by solar energy , Neet & Clean RO Purified water with separate washrooms for girls and boys on each floor.

Fire safety with availability of fire extinguisher and fire hose reel on each floor.

Awards & Ceremony

Recognizing students with awards and certificates make them and their work stand out which again motivates them and attracts other students to work harder. A school that takes pride in rewarding its students for their hard work and achievement must always be taken into consideration.

Attraction For Kgs

Our kindergarten classroom is what attracts the tiny tots in coming every day to school. Children are always drawn towards a décor that is bright and colorful. Students are kinesthetic learners more than visual; it is, therefore, important that every aspect of a Kindergarten classroom is considered for a class that loves coming to school.

Regular Health Checkup

Regular health checkup in school helps parents and educators by providing sessions on a variety of health-related topics. As a result, parents and educators can gain insight into how they can best assist students in forming healthy habits and resolving any health issues that may arise.
