SPECIAL CONDITIONS

- * If the initial target pest includes Fleas, German Cockroaches or Commensal Rodents, add \$150.00 to the cost of the initial service.
- ** Assembly Bill AB1788 significantly limits the use of rodenticides in California, restricting our ability to use RBSs on your property.
- *** Mosquito management is only offered as a monthly service.
- **** The tree trunk's circumference is measured at breast height, then divided by 3.14 to get the diameter in inches.
