DIRECTIONS FOR USE

READ ENTIRE LABEL. USE IN ACCORDANCE TO LABEL INSTRUCTIONS.

SHAKE WELL BEFORE USING.

This product works on contact and is non-residual. Contact as many insects as possible.

Wasp and Hornet Treatment: Stand a safe distance from the nest. Hold canister in an upright position and aim actuator opening toward nest. Treat nest until wet. Contact as many wasps/hornets as possible. Best time to treat is in the evening or early morning when they tend to be in or around the nest. Repeat as necessary.

Yellow Jacket Treatment: Stand a safe distance from the nest. Hold canister in an upright position and aim actuator opening toward nest. Apply with a sweeping motion and contact as many yellow jackets as possible around nest opening. Next, approach nest opening and apply directly into opening for 8 seconds to kill yellow jackets in the nest. This will also repel any yellow jackets trying to return to the nest, and cause them to fly away. Repeat as necessary.

Spider Treatment: Aim actuator at spiders and web and apply until wet. Contact as many spiders as possible. Repeat as necessary.

PRECAUTIONARY STATEMENTS

CAUTION: Avoid contact with eyes and skin.

**KEEP OUT OF REACH OF CHILDREN
CAUTION**

See Additional Precautionary Statements and Directions for Use

FIRST AID

EYES: Flush with water for at least 15 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a physician if irritation persists.

SKIN: Wash exposed area with soap and water thoroughly. Remove contaminated clothing. Get medical attention if irritation persists.

INHALATION: Remove person to fresh air. If not breathing, give artificial respiration, preferably mouth-to-mouth. Get medical attention.

INGESTION: Rinse mouth out with water. Obtain medical attention as soon as possible. Do not induce vomiting. Do not give anything by mouth to an unconscious person. Avoid alcohol.

PHYSICAL HAZARDS: Storage: Store in a cool, dry area away from children and pets and away from heat, sparks or open flame. Disposal: When container is empty, recycle if available. If recycling is not available, wrap and place the empty container in a trash collector. Do not puncture or incinerate.

Notice: Buyer assumes all responsibility for safety and use not in accordance with directions.

Limitation of Liability: Central Garden & Pet Company makes no warranties of merchantability, or of fitness for a particular purpose, nor any other express or implied warranty except as stated above.

Manufactured for: **Central Garden & Pet Company**, 1501 East Woodfield Road, 200W, Schaumburg, Illinois 60173
