

The One Experience™

Frequently Asked Questions

Experience Details

Who should attend <i>The One Experience™</i> ?	This event is for people who feel like they are The One. What being ‘The One’ means may differ from person to person. You may be the person who everyone relies on, you may be the only one (like you) in the room, you may be the one who gets it done, you may be the one who fixes things, you may be the sensible one, the responsible one and the called one. No matter your definition, if you find being The One an often weighty experience and one that often gets you off balance, and you are looking for recalibration - The One Experience™ is the place for you. You know what you believe. You know who you believe in. Let us help you live your beliefs!
