

# Community Living Services Program

## FY 2022 Annual Report

July 1, 2021 – June 30, 2022

The Community Living Services Program (CLSP) is a statewide program managed by the West Virginia Centers for Independent Living through grants from the West Virginia Division of Rehabilitation Services. CLSP provides eligible West Virginians with disabilities services to help them return to or remain in their homes and communities by enabling them to function more independently. Services include home modifications, assistive devices and equipment, vehicle modifications and durable medical equipment.

Disability Resources for Independent and Self-Sufficient Lives

CLSP services are provided by the three West Virginia center for independent living (CIL) corporations.

## FY 2022 Annual Report

July 1, 2021 – June 30, 2022

### FY 2022 Performance Highlights

- 193 consumers completed CLSP services, which allowed them to successfully remain in their homes.
- \$3,394 was the average cost per consumer to complete their goals.
- 415 consumers were on the waiting list to receive services as of June 30, 2022.
- According to Genworth 2021 Cost of Care Survey, the cost for a semi-private room in a nursing home has a median annual rate of \$139,430 in the state of West Virginia. Therefore, the diversion or transition of 193 consumers from nursing home care through CLSP is estimated to have created a net annual savings of nearly \$27 million in FY 2022.
