Please make sure EVERY DRIVER coming to the studio reads this.

Rife Ave. is a VERY busy street!

It is a through street for emergency vehicles to access the 401.

The safety of our students is our main concern and as such, there are important details to note:

Please do NOT block or turnaround in neighbouring driveways.

Please see **map** for parking suggestions.

- There are 3 spaces of street parking in front of the studio. Please park closely together to ensure 3 cars will fit.
- There is no parking on the opposite side of the street.
- There are 2 spots available in the LEFT side of the driveway. Please pull in closely so that 2 cars will fit.
- **Do NOT park on the RIGHT side of driveway (when you are facing the house)**

There is also parking on Bella and Kribs (a 30 second walk)

There are MANY spaces in the top parking lot of the WG Johnson Centre.

Access this off of Henderson St. (a 30 second walk to the studio) See map!

We encourage students to walk or bike as much as possible!

Bikes can be left on the front lawn.
