

Played a song in C+ / C position	Made a program for my mini recital at home	Improvised a song using only black keys	Played a song with my eyes closed	Played something for a friend over video chat
Played a song with the correct tempo marking	Composed my own song	Did my theory	Clapped the rhythm of an entire song BEFORE I played it	Sightread a brand new song today
Put on a mini recital at home	Played something for a family member over video chat	FREE! 	Thought of 2 new songs I want to learn	Videoed myself playing a song in a fancy outfit
Made a homemade instrument	Played a scale with my eyes closed	Taught my mom/dad/ Sister/brother how to play a song	Played a major scale	Recorded myself playing a song, listened to it and picked 2 awesome things
Sang the lyrics to one of the songs I usually just play	Cleaned my instrument	Played a minor scale	Played a song from my old books	Played a song memorized
