

This map represents the commonly known major governments and their areas of influence. Importantly, this is area of INFLUENCE not CONTROL.

#### UNAF – Unified North American Federacy

Population approx. 5 million citizens and about that many residents who are not formal citizens. Major population centers: New Angeles sometimes called NA or Las Angeles <> 500000 citizens. Boston <> 500000 Citizens. Quebec 200000 Citizens.

#### European Federation

Population approx. 4.5 million citizens and 10 to 12 million residents.  
London, Paris, Frankfurt, Naples, Barcelona all partially rebuilt.

#### Moscuvinia

Population approx. 2 million citizens with unknown number of residents.  
Moscow is the only major population center with approximately 400000 inhabitants.

#### CPF – China Peoples Federation

Population approx. 8 million with unknown number of residents. Shanghai is the capitol with 1 million inhabitants split between the city proper (one of the 3 floating cities NA, Boston, Shanghai – each holds about 500000) and the ground below.

#### KJA – Korean Japanese Alliance

Population approx. 15 million citizens and unknown number of residents.  
Kyoto and Soule are the major population centers each with nearly 1 million inhabitants.

#### Sydney Safe Zone

This is a very loose government with many small communities each agreeing to help defend the whole. Population unknown.

FLB - Federação Latina e Brasillia

The remnants of the Latin American and south American states.

Population unknown. Not known to be particularly welcoming to outsiders.

New Azteca

Population unknown.

An attempt to revitalize the region in the model of the ancients. Extremely unwelcoming, and at odds with FLB over territory.

Tibuk Kalaphate

Population unknown.

Pretty much what it says on the tin. Non-Islamic steer clear.

CAI – Central AI or Central American AI

Population 0 human citizens, unknown number human inhabitants.

CAI is an AI who has publicly formed a proto government with machine citizens. Whether the other AI interact with it or not is unknown. Attempts to form treaties with humans.

Purpose unknown. So far, nobody has done so as no prior AI has not been hostile and they are not trusted.
