

LACE TOP WIGS

Superb natural and comfortable

The front 1cm is gradually increase its density, adopt the single knot with irregular knotting methods, make it look real hairline.

Double-layer lace, reduce the friction of the scalp layer, strengthen the top of the head, and prolong the service life

Combine the kosher wig cap with lace wig cap structure, No need to use any glue or tapes, can be put on or taken off at any time at any where.

We apply bleaching technology to wigs to make the original realistic wigs look more perfect and natural
