Attachment

Follow attachment as written in pattern.

Hat Attachment:

Place a very small amount of stuffing in the opening of the hat, as pictured. Place hat approximately one round above eyes. Using hat tail, sew around, between R24-25, to fasten the hat to the head. Tie off and hide tail.

Using a separate piece of white yarn, fasten long part of hat to head so the pompom of the hat sits close to the ear.

Belt Buckle:

Using yellow yarn, embroider a square onto the front middle of the black belt on the body. I did 2 passes with yarn on each side of the square. Tie off and hide tail.
