

# Nurse Practitioner

Full-Time | Athens District Family Health Team | Athens, Ontario

**Posted:** August 13, 2026 | **Salary:** CA\$120,000–CA\$125,000 per year

**Join a supportive, close-knit primary care team where collaboration, flexibility, and excellent patient care come first.**

## About Us

The Athens District Family Health Team is located in beautiful Eastern Ontario, between the historic Rideau Waterway and the world-famous Thousand Islands. We are a small, supportive, and genuinely close-knit team that values collaboration, respect, and looking out for one another.

Our multidisciplinary team includes physicians, nurse practitioners, nurses, a health educator, and dedicated administrative staff. We believe that a positive workplace culture is just as important as excellent patient care.

## The Opportunity

We are seeking a full-time Nurse Practitioner to provide comprehensive primary health care services to our roster of approximately 4,100 patients. Reporting to the Lead Physician and Executive Director, you will work in a highly collaborative environment where team members share knowledge, support one another, and celebrate each other's successes.

## What You'll Do

- Provide a full scope of primary health care services, including preventive care, health promotion, and timely acute care.
- Deliver patient-centred care in collaboration with physicians, nurses, allied health professionals, and administrative team members.
- Support health promotion programming and contribute to improved access to care for our community.
- Collaborate with community partners providing laboratory, diabetes, lung health, eye health, and mental health services.

- Help maintain a welcoming, respectful, and encouraging workplace where ideas are heard and contributions are valued.

## What We Offer

- Salary range of CA\$120,000-125,000 per year.
- Employer-paid health, vision, and dental benefits.
- Paid education leave and funding to support course costs.
- Flexible schedule.
- Paid time off.
- Life insurance.
- Employer paid RRSP program for retirement planning
- Off-site EMR access for schedule flexibility

## Who We're Looking For

This opportunity is ideal for an experienced or newly graduated Nurse Practitioner who is looking to build their career in a workplace that truly feels like a team.

- Nursing degree.
- Extended Class certification.
- Current registration in good standing with the College of Nurses of Ontario.
- Commitment to collaborative, patient-centred primary care.
- Interest in contributing to a supportive and positive team culture.

## How to Apply

If you are looking for support, flexibility, and a team-focused workplace, we would love to hear from you.

**Please send your resume by email to:**
