SERVICES:

At the direction of the patient's physician, our agency provides the following:

- Skilled Nursing
- Home Health Aide
- Physical Therapy
- Occupational Therapy
- Speech Therapy
- Medical Social Services
- Wound Care Services
- Anodyne® Therapy by Therapist
- Free Home Health Assessment by an RN
- UltraSound Therapy by Therapist

Skilled Nursing Services:

Are provided by RNs and LVNs under the direction of the Physician.

- Complete plan of care
- Guidance and counseling on health matters
- Medical treatment and procedures as indicated by the patient's plan of care.
- Consulting and collaborating with other professional staff in providing services
- And many more

Home Health Aide:

The Home Health Aide assists clients in all aspects of personal care and all activities of daily living at home.

Medical Social Services:

A Licensed Certified Social Worker will provide Medical Social Services. A Medical Social Worker assists with social, financial and emotional problems that affect the patient's medical condition or rate of recovery.

Therapy Services:

Therapy services are provided by or under the supervision of a qualified therapist, in accordance with client plan of care. Our Physical Therapists are experienced and licensed to perform Anodyne® Therapy, and wound debridement. The therapists shall counsel, instruct, and demonstrate to the client, family members and other health workers how to perform or assist in performing selective procedures and functional activities.
