## CAPABILITY STATEMENT

Precision Medical Logistics & Healthcare Supply Solutions

### CAPABILITY NARRATIVE

America First Medical, LLC delivers reliable medical supply distribution, durable medical equipment (DME), and end-to-end healthcare logistics to federal healthcare facilities, Department of Veterans Affairs (VA) networks, and commercial health partners. We streamline medical procurement by pairing compliant sourcing with responsive inventory management, ensuring clinicians receive mission-critical supplies without supply chain disruption.

### CORE COMPETENCIES & DIFFERENTIATORS

#### Core Competencies

- **Medical & Surgical Sourcing:** Sterile consumables, PPE, diagnostic supplies, and point-of-care products.
- **Durable Medical Equipment (DME):** Procurement, maintenance coordination, and logistics for clinical gear.
- **Healthcare Logistics:** Temperature-controlled warehousing, secure staging, and lot tracking.
- **Regulatory Compliance:** Adherence to FDA chain-of-custody, VA standards, and FAR/DFARS.
- **Rapid Order Fulfillment:** Emergency stock replenishment, JIT delivery, and expedited shipping.

#### Key Differentiators

- **Disciplined SDVOSB Leadership:** Veteran-led execution ensuring accountability and agility.
- **Direct Sourcing Network:** Direct manufacturer relationships eliminate broker markups and delays.
- **100% Quality & Traceability:** Batch-level tracking and pedigree documentation on all inventory.
- **Federal Readiness:** Active SAM.gov profile, VA-FSC billing compatibility, and EDI integration.
- **Dedicated Account Team:** Single-point-of-contact support focused on SLA adherence.
