Questions for reflection

- + Before this message, what did you think you were saying when you prayed *for thine is the kingdom, and the power, and the glory, forever and ever*? What are you saying now?
- + The message names four kingdoms competing for your loyalty: the market, the nation, the party and the self. Which one has been getting most of your energy this week? Be honest.
- + When you say *amen*, you are signing an oath. What would it take for you to actually mean it every time you said it this week? Not perfect allegiance. Honest allegiance.
