Questions for reflection

+ Saul was deeply certain he was doing something right - and he was catastrophically wrong. When has your certainty about something been misplaced? What helped you see it?

+ Ananias objects to God's instructions - honestly, reasonably and out loud. God hears the objection and still wants him to go. Have you ever argued with God about where you were being sent? What happened?

+ God chose Saul as an instrument before Saul had any idea what was happening to him. How does it change the way you think about difficult or resistant people in your life to consider that God may already be at work in them?

Looking Ahead:

April 26 Acts 16:16-34 Easter 4
May 3 Acts 17:16-31 Easter 5
May 10 Philippians 1:1-18 Easter 6
