**Questions for reflection**

- + The man born blind couldn't answer every theological question-he could only say, "I was blind, and now I see. What's your version of that testimony/
- + Seeing clearly cost the man his place in the community. Have you ever paid a price for telling the truth or doing the right thing?
- + Jesus found the man after he was thrown out. What does it mean to you that Jesus seeks out those who've been rejected?
