To Whom It May Concern:

I have known Michael Forche for nearly 35 years, and throughout that time, he has been known to be a principal in numerous real estate related and other business ventures in the Las Vegas area. Mr. Forche has extensive experience in real estate related lender services including: court appointed receiver, development coordination, construction management and municipal entitlement procurement.

Our company has utilized Mr. Forche's services and we were members of a partnership that has owned commercial property since 1999.

I would recommend Mr. Forche as someone who is able to obtain professional results through his range of skills, business contacts and full knowledge of the community.

Sincerely,
