

Ambulance Performance Operations Committee (APOC)

EMS AGENCY STAFF LIASION: Vince Pierucci

The purpose of this Committee is to assist the County Board of Supervisors in developing and administering policy on all aspects of the pre-hospital emergency medical services system.

- The service levels and response capabilities of ambulance providers in the County
- The development and oversight of contractual relationships between the County and ambulance service providers
- The development and oversight of agreements between the cities within San Luis Obispo County and San Luis Obispo County
- The rate structure of ambulance providers and the services and financing of EMS first responder agencies
- The development and maintenance of ambulance performance standards
- The development and oversight of ambulance service areas

The County of San Luis Obispo APOC consists of members representing the following:

- City Managers
- Fire Chiefs
- SLO County Health Agency Administrators

Meeting are held in the 2nd floor conference room of the Health Agency, located at 2180 Johnson Ave, at least once a quarter as needed.
