### Halifax

The capital of Nova Scotia and the largest city in Canada's Atlantic Provinces, Halifax was once Great Britain's major military bastion in North America. The beautifully restored waterfront buildings of Halifax's Historic Properties recall the city's centuries-old maritime heritage. Stroll the waterfront, and you may find Nova Scotia's floating ambassador, the schooner Bluenose II, tied up to Privateer's Wharf, just as old sailing ships have done for over 200 years. Halifax is also the gateway to Nova Scotia's stunning scenery, including famous Peggy's Cove, where surf-pounded granite cliffs and a solitary lighthouse create an unsurpassed scene of rugged natural beauty.

### Security Screening

All guests returning to the ship are required to undergo security screening. Objects containing metal, including mobile phones, cameras, binoculars, reading glass cases, large belt buckles, batteries, electrical devices, etc., will set off the walk-through metal detector and delay boarding. These items must be deposited in the provided trays prior to passing through the metal detector. Guests with surgical metal implants, significant quantities of metal jewelry, metal shoe stays, etc., may be subject to additional screening, such as a hand-held metal detector or "Pat Search."

### Agricultural Notice

Local authority rules stipulate that no food, no flowers, no seeds or beverage products except water are to be taken off the ship in port to avoid a fine. Please consume these items onboard before proceeding ashore.
