### \*Princess New Cruiser Tips\*

There are various ways to access your shipboard account details that do not require you to wait in line. Folios/Account Statements are available for viewing 24 hours on the Princess® application. You may also print your folio using your OceanMedallion at the self-service kiosks located Deck 5 Mid. Final statements are automatically delivered via email shortly after you disembark at the conclusion of the voyage.

### Public Health Reminder

To help maintain a healthy environment, please wash your hands frequently and thoroughly with soap for at least 20 seconds, and rinse them well. We strongly recommend that you follow this procedure each time you use the restroom, after coughing or sneezing and before eating, drinking or smoking. Avoid touching your mouth. We also encourage you to use your private toilet facilities and not the public toilet unless absolutely necessary.

### Toilet System/Vacuum System

Majestic Princess, as all modern cruise ships, is equipped with an EVAC toilet system that uses the vacuum pump principle. The system is very reliable, but the pipe work is much smaller than those ashore and is sensitive to foreign objects and large amounts of toilet paper. In order to avoid blockages and subsequent inconvenience to guests, please place any foreign objects in the waste bins and sanitary bags provided.

## Need to Know!

Sunrise: 06:25am • Sunset 08:22pm

### Time Change

Ship's clocks will be set one hour back at 02:00am between Friday night, August 15 and Saturday morning, August 16.

### Lost Property

Please double check your stateroom and stateroom safe as well as Lost & Found at the Guest Services Desk for personal items. Princess Cruises is not responsible for anything you may have left behind.

### Princess Survey

Please be advised once you return home you will receive an email from Princess, and we 'love' hearing your feedback on our extraordinary teammates and all your onboard experiences.

### Onboard Account Summary

We kindly ask that you review your folio prior to disembarkation. It is available via the app or at the Guest Services desk. Should you require any assistance, our team will be happy to assist.

### Credit/Debit Card Holds

Holds are placed on your credit or debit card throughout the vacation period to guarantee that funds are available. Your bank does not actually release any funds to us. At the end of the trip, your onboard spending will be paid in a single transaction, and the holds will be released. The amount of time these holds remain on your credit or debit account varies per bank. Most banks transfer payments within 5 to 7 business days, but when using a debit card, pre-authorization holds may remain on your account for longer, consequently, we recommend using a credit card whenever feasible.

### Disembarkation Information Q&A

If you have any questions regarding disembarkation, or would like to change your arrangements, contact us using the Crew Call Chat on your Princess App or by dialing 5000
