Deck & Sun Loungers

As a courtesy to your fellow guests please be advised that sun loungers must not be reserved and that towels and personal items will be removed by a Princess staff member if the lounge has not been occupied.

Public Health Reminder

To help maintain a healthy environment, please wash your hands frequently and thoroughly with soap for at least 20 seconds, and rinse them well. We strongly recommend that you follow this procedure each time you use the restroom, after coughing or sneezing and before eating, drinking or smoking. Avoid touching your mouth. We also encourage you to use your private toilet facilities and not the public toilet unless absolutely necessary.

Toilet System/Vacuum System

Majestic Princess, as all modern cruise ships, is equipped with an EVAC toilet system that uses the vacuum pump principle. The system is very reliable, but the pipe work is much smaller than those ashore and is sensitive to foreign objects and large amounts of toilet paper. In order to avoid blockages and subsequent inconvenience to guests, please place any foreign objects in the waste bins and sanitary bags provided.
