Sydney, Nova Scotia

Cape Breton is famed as a magical travel destination and the Port of Sydney is the gateway. Known for its beauty and unique Celtic music and culture, Sydney puts some of the Island's greatest sights and attractions at your fingertips when you disembark into the Joan Harris Cruise Pavilion. The dockside pavilion offers an array of Shopping Boutiques, a Craft Market and the World's Largest Fiddle. You will also find wireless Internet services, a Visitor Information Centre, and the Cape Breton Island Exhibition Centre featuring artifacts, images and an overview of the rich culture and heritage of this historic island. Or you can simply sit and savour our local seafood cuisine at the Range Light Cafe, or enjoy a glass of wine on our second level balcony. The city of Sydney has a deep history and was originally founded in 1785 by British Loyalists fleeing the perils of the American Revolution. The rich natural resources led these new settlers to establish prosperous coal and steel industries, which attracted immigrants from a myriad of ethnic and cultural backgrounds. To this day, Sydney remains a haven of multiculturalism.

Security Screening

All guests returning to the ship are required to undergo security screening. Objects containing metal, including mobile phones, cameras, binoculars, reading glasses, large belt buckles, batteries, electrical devices, etc., will set off the walk-through metal detector and delay boarding. These items must be deposited in the provided trays prior to passing through the metal detector. Guests with surgical metal implants, significant quantities of metal jewelry, metal shoe stays, etc., may be subject to additional screening, such as a hand-held metal detector or "Pat Search."
