Comments

This week we will have a first read of the script along with a run through of our Disney songs. (The quartets/ensembles won’t perform their songs this week – but we will hear the script.) After business we can spend a little time on any “fixes” we find during the run through. We will also continue our preparation for Memorial Day. For reference, the “march in” order for Heigh Ho follows on the next page along with the choreo plan for Almost There. Also be sure to watch the choreo videos for Fortuosity and I Will Go Sailing No More.

As always, all are welcome to head to Whitey’s after rehearsal for our afterglow!

Almost There Choreo Plan

- Actors walking across stage – Chorus is close together in pods - **focus is on actors (out)**

- “That’s just gonna have to wait a while” – basses sing to actors (all look at actors) – actors look over shoulder at basses
- “Ain’t Got Time for Messin’ Around” – Actors out front exaggerated “messin’ around and style” Chorus with similar – but more subdued moves.
- “This old town” arms up to shoulder of guy next to you or arms crossed...
- “But I know exactly” arms down, spread out a bit – actors go stage left and make a 2 person pod
- Set on “Almost” – **focus to director**
- “People Down Here Think I’m Crazy” – hands up and shake on “Crazy” – vocal fall off on “oo” but I don’t care – **out to audience then back to director on “Trials”**
- “Doot doo doo” **Out to audience** - Side step back and forth – starting left – stop on doot before bass pickup – “Daddy” comes forward on last three doo doot doo
- “I remember” **focus on Daddy**
- “Yes it’s true” – glance in to each other – look in on “It all depends on you” – “Daddy returns to chorus”
- “So I work” – three parts vocal fall off on work, hard – **in to director**
- **Out to audience** on “look out world” (stay out for rest of song)
