It's Beginning to Look Like Christmas

- Key of Bb
- It's beginning to look a lot like Christmas,
- Take a look at the five and ten...
- With candy canes and silver lanes aglow
- Toys in ev'ry store
- But the prettiest sight to see...
- A pair of hop-a-long boots and a pistol...
- Dolls that will talk and will go for a walk...
- Mom and Dad can hardly wait...
- There's a tree in the Grand Hotel
- And the thing that will make them ring is the carol that you sing
- Right within your heart, your heart.
- Right with in your heart the carol in your heart.
