The quantity of trees are limited and are on a first come basis

The Autauga Creek Christmas Tree Trail is a project of the Family Support Center, a 501(c)3 organization, in partnership with the City of Prattville. The mission of the Family Support Center is to improve the quality of life for children and families in the River Region through education, advocacy and employment. We serve over 2000 people each year in our programs and all proceeds from this event are used to support these FREE programs in our community.
