

The Family Support Center's Christmas Tree Trail

Presented by International Paper, Prattville Mill
with event sponsor Central Access

It's that time of year again! Help us to make downtown Prattville even more magical during the Holidays by participating in the Autauga Creek Christmas Tree Trail. The Family Support Center will be selling Christmas Trees for you to decorate. The trees will be on display the month of December along the Autauga Creek Walk. By participating in this fundraiser, you will not only be adding to the magic of downtown and promoting your business (or family if you choose), you will also be helping the Family Support Center in their mission to improve the lives of children and families in the River Region through education, advocacy and employment. The Family Support Center serves over 2000 clients annually in their programs, all of which are FREE!
