

The Family Support Center's Christmas Tree Trail

Presented by:

With Event Sponsor:

It's that magical time of year again, and we're getting ready for the Autauga Creek Christmas Tree Trail!

Want to help make Downtown Prattville sparkle a little brighter this holiday season?

Purchase a Christmas tree and decorate it your way! Trees will be beautifully displayed throughout December along the Autauga Creek Walk, creating a festive holiday trail for our community to enjoy.

Whether you decorate a tree to showcase your business, organization, church, school, family, or just your Christmas spirit, you'll be adding a little more magic to downtown Prattville while supporting a GREAT cause!

Your tree purchase helps the Family Support Center continue our mission of improving the lives of children and families throughout the River Region through education, advocacy, and employment.

And the best part? ALL of our programs are FREE to the families we serve! The Family Support Center serves more than 2,000 clients each year, providing programs and resources designed to help families become stronger, healthier, and more self-sufficient.

So grab your Christmas crew, get creative, and help us Deck the Creek!
For more information on purchasing your tree, please call 334-361-4703
or email merrill.carroll@acfsc.org

Let's make the Autauga Creek Christmas Tree Trail the brightest, merriest, most magical one yet!
