SPC STONE

Elevate your space with our stunning collection of RECOVERY UNDERLAY SPC STONE. Our hard surface floors offer the perfect blend of style and durability. Choose from a variety of realistic stone and tile looks in luxury vinyl plank (LVP/SPC) designed for easy maintenance and lasting beauty in any room of your home or commercial space.

Recovery Underlay™ SPC Stone Series

Our SPC stone is bonded with 1.5mm IXPE which provides acoustic benefits and recovery support.

FEATURES

Click Lock Technology

Our Click Lock Technology works perfectly for both the long and short of the flooring panel and ensures there are no unwanted gaps or spaces between.

Recovery Underlay™ 1.5mm IXPE (Attached to SPC Stone series)

- ✓ Polyethylene/IXPE excels in thermal insulation and sound absorption.
- ✓ Resilience: withstand heavy foot traffic and furniture loads.
- ✓ Moisture resistance: Resistant to water and moisture, prevent mold and mildew.
