INNOVATION & FUTURE

In this album, you will see how designers break free from traditional constraints, using new materials and techniques to create unique works. We believe that future carpet designs will bring more wonderful experiences to people's lives.

Dedicated to:
You, who love carpets

WELCOME

Welcome to this meticulously curated carpet design portfolio. Here, we invite you to explore the world of carpet design, experiencing the artistry and creativity woven into every inch of fabric.

As the designer of this portfolio, I aim to showcase the rich diversity of carpet design and the profound cultural heritage it embodies.

Behind every carpet design lies a unique story. These inspirations stem from nature's breathtaking beauty, the accumulation of historical and cultural heritage, and our profound understanding and passion for life.

Thank you for exploring this carpet design collection. As you admire these exquisite designs, I hope you also feel the passion and creativity of us designers. Carpets are not merely part of home decor; they are expressions of art. Let us explore together this endless beauty and possibilities.

MINA SERIES

MINA SERIES

A gentle ode woven from nature

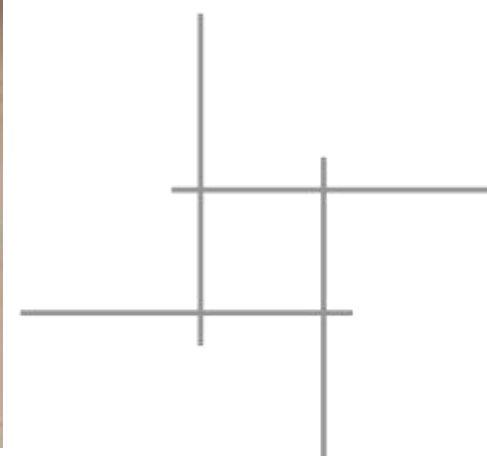

“With every step,a velvety softness envelops your feet,transforming homecoming into a poetic ritual of cloud-like strolls—

A philosophy of tenderness.The Mine series carpets turn everyday life into a slow-motion sequence bathed in soft cream hues.”

Time here gently sweetens A home treading on clouds

Not a carpet, but soft morning light spilling across the floor, a silent embrace while curled up reading, and the very soul of cream-toned home decor.

Fragments of light escape through the screen's cracks,tumbling into a gray ocean woven from carpet.
Those pixel-scorched gazes now descend along the gradient from silver-gray to rock-ink,
like the complete reef exposed after the tide recedes.
Finally,they condense between the linen warp and
weft into a latitude shrouded in morning mist.

TURIN

Gray-Scale Narrative: Punctuation of Space

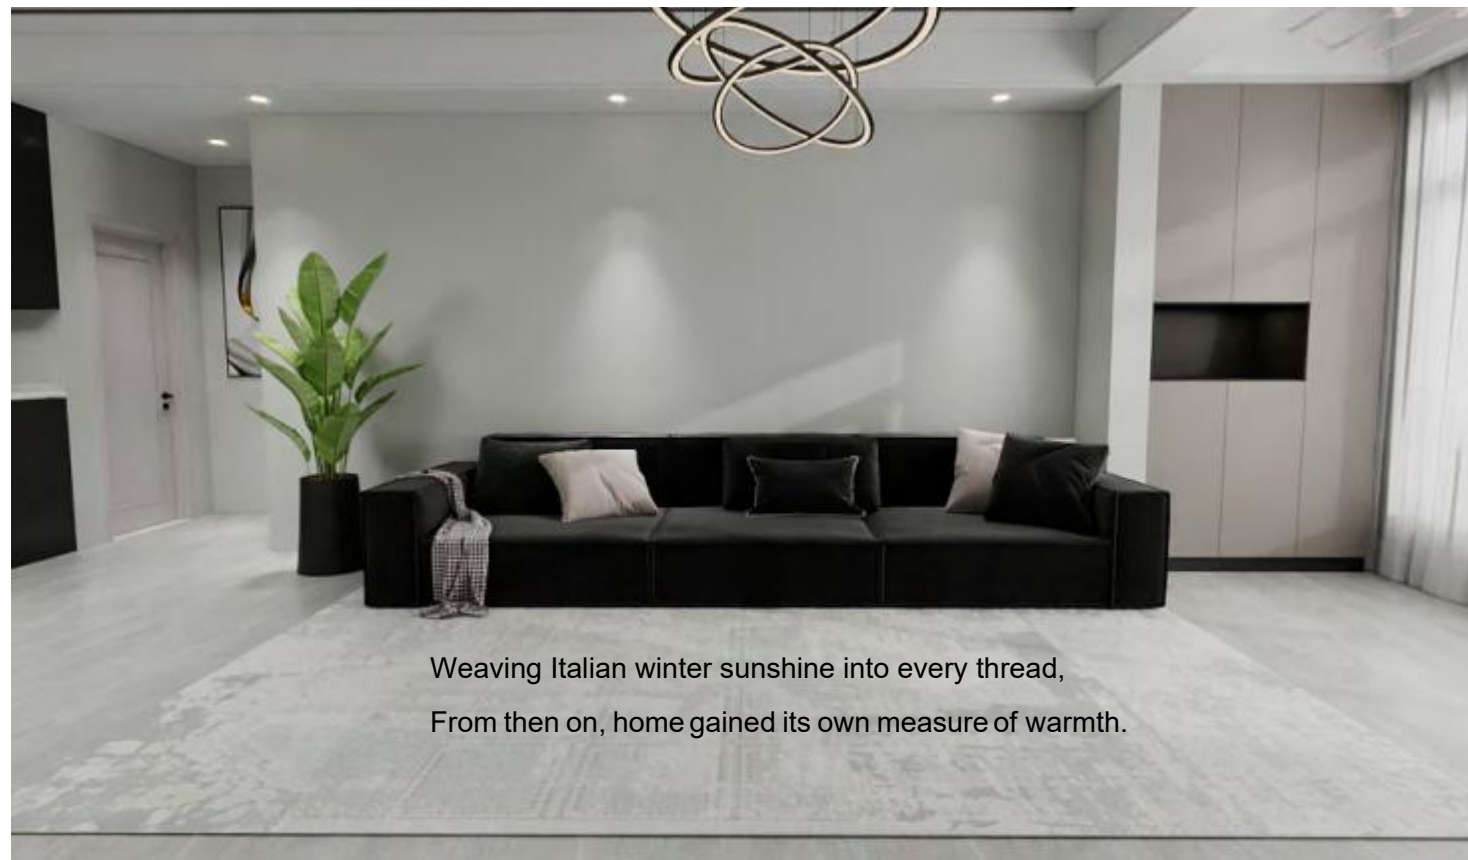

When time's footprints sweep across myriad shades of gray—
Only then do we understand that simplicity is the most elegant rhetoric.

TURIN

Sophistication is never loud—Turin carpets teach spaces to whisper.

Simple and unassuming,yet radiant—gentle warmth envelops the world's clamor.
Turin carpets ground the clamor,letting it take root.
Weaving Italian winter sun into every thread,
home gains its own measure of warmth.

Rough concrete lowers its gaze,white walls of garden landscapes shed their weight—all rigid boundaries dissolve the moment they touch the plush pile.In silent dialogue,land and clouds are woven together.Here,time flows differently:coffee stains blur into ink washes,while twilight folds itself into warm amber within the fibers' crevices.

MILAN SERIES

As the setting sun slants across the oak floor,
You step barefoot into the softness of "Milan" —
Those interwoven wool and cotton threads
Are the mist of the Rocky Mountains,
The pages of old Brooklyn books,
An unfinished "goodnight" by an American hearth.

The Beauty of Complexity

The Rhythm of Order

MILAN

Milan Needle stitches wander deep within oak's growth rings, Weaving the wrinkles of an old fireplace.
Moss-green and caramel-hued vines sprawl through clusters of linen. Every inch is steeped in the twilight of the Mississippi.

MIYA

A Gentle Encounter in a Creamy Dreamscape

In the hustle and bustle of urban life, home is a sanctuary for the soul, and every step deserves gentle care. Inspired by soft, creamy tones, the Mia collection infuses living spaces with delicate textures and soothing hues, crafting a warm and elegant haven for you.

The Mia collection features a low-saturation cream palette—rich like a vanilla latte, yet light as a cloud. From soft beige to subtle caramel, each colorway is meticulously crafted to enhance a space's airy feel while adding a touch of serene ambiance to your home.

以地毯之名，书写生活美学

More than just a home accessory, it's an expression of a lifestyle: in this fast-paced era, we still cherish every nuanced sensation. May this rug become your home's silent companion, so that every step you take upon returning feels like stepping into tenderness.

We insist on weaving every inch of tenderness with high-quality eco-friendly yarn. The carpet surface employs advanced techniques for a finely textured, dense feel—walking barefoot on it is like sinking into a soft cloud. The meticulous edge binding and three-dimensional texture design not only enhance durability but also imbue each carpet with a unique artistic depth.

The Mia series features a variety of sizes and shapes—from classic rectangles to dynamic circles, from grand designs that fill living rooms to delicate accents that grace bedrooms—meeting the needs of diverse settings. Whether paired with natural wood furniture to evoke an organic ambiance or combined with metal and glass elements to create a contemporary feel, it seamlessly becomes the harmonious thread that ties the space together.

Mia Series—Spreading creamy sweetness into everyday life.
