

# HOW IT WORKS

1

GET YOUR BUCKET

Subscribe to receive your new compost bucket. *Thistle* be the bucket we use to shuttle your food waste.

2

SAVE YOUR SCRAPS

Fill your bucket with household food waste. *Lettuce* show you what's on our compost list.

3

PICK UP DAY

*Romaine* calm while we exchange your compost bucket for a clean one every week. No smells, no bugs- no problem!

4

TIME/TURN & RETURN

*Aloe-lujah!* Your scraps go into our pile, and your membership earns compost - have it delivered or donate it to one of our community grow projects.
