

# All-In Seeds

"Cannabis Seeds Bred & Grown in Maine"

## Retail Consignment Seed Program

- We set you up with 12 different strains of feminized cannabis seeds (3 tins of each), a locking display case, and in-store signage.
- Eligible retailers include pipe/glass shops, medicinal dispensaries, convenience stores, etc. *(FYI - Seeds are classed as a hemp product containing less than .3% thc and are Federally legal.)*
- Each tin has either 6 or 7 feminized seeds; retailing for \$49.99 and \$44.99.
- Tins are tamper resistant sealed, and have barcodes (pictured below).
- There are 38 strains to choose from. We deliver special orders within 3 days.
- No payment required up front, all sales are handled on a consignment basis.
- Retailer & All-In Seeds split is 50/50.
