

SOLCHOC™ L

Recommended designation: - Roasted Carob Powder

Description: - Roasted Carob Powder (Brown to dark powder) is obtained by gently roasting the pods of the carob fruit deprived of the seeds. It is a natural sweetener, with a flavor and appearance similar to that of cocoa. The carob powder does not contain any stimulants, like caffeine or theobromine, usually found in cocoa.

Product specification:

Appearance - Fine powder
Color - Light brown
Flavor and Aroma - Balanced sweet to bitter taste

Use: - Carob Powder with its sweet taste and chocolate aroma, nuances of coffee and toffee, makes it suitable for artisanal and industrial recipes. It is a versatile ingredient for pastry and food solutions innovators, always looking to develop new healthy products. Thanks to this, Carob Powder is used also as a “healthy” cocoa alternative because of its similar flavor, yet very low-fat content as well as high dietary fiber rate.

Analytical data:

- **Total Ash** Max 4% w/w
- **Particle size** max 2.0% (>75 micron)
- **pH** 4.0 - 6.0

- **Energy kcal (kJ)** 300 kcal (1255kJ)

- **Carbohydrates:** 42-48g
 - o of which Sugar 36-38 g

- **Fat** < 1.5g
 - o of which saturated fatty acids < 1 g

- **Protein** < 6g

- **Dietary Fiber of which:** 39-43g

- o Soluble dietary fiber 10-15%
- o Insoluble dietary fiber 85-90%

- **Moisture** Max 4 g

- **Sodium as (Na)** <0.05g

*Please note that the values reported on the nutritional data above are the result of average data analysis conducted by third-party laboratories.

- **Total Plate Count:** < 1 x 10³ CFU/g

Microbiological Analysis:

- Yeast & Molds: < 3 x 10² CFU/g
- Escherichia coli: Absence in 1g
- Salmonella: Absence in 25g

Storage conditions:

- Store in original packaging until use
- Store under cool and dry conditions

Shelf life for packed product:

- 24 Months from Manufacturer date (The specified shelf life can only be guaranteed for this product if the above-mentioned recommended storage conditions are respected)

Packaging:

- 25 kg (net) kraft paper bags lined with a PE bag.

Other information:

- The product is free from irradiation and does not contain any additives, stabilizers, nor preservatives
- The product shall not contain pesticides residue at levels greater than EU legislative maximum residue levels
- The product complies with EU and USA legislation in respect of heavy metals
- Ethylene or propylene oxide use is prohibited
- The product is allergen-free
- The product is GMO-free
- The product is foreign material (metal) free
