

**We know downtown parking can be intimidating. Here's a guide to make it easy peasy when visiting our Lark & Owl Pop-up:**

- **Lark & Owl shares a wall with Monument Cafe. It's directly behind it!**
- **You may use all of the Monument Parking Lot, including street parking.**
- **There are a few spots directly on the right after you turn onto 6<sup>th</sup> street from Austin Ave. (Lark & Owl storefront side). There are a few spots in the circle drive directly in front of L&O**
- **There is a Public Parking lot next to Lark & Owl parking as well. It looks far on the map but its directly diagonal from the L&O lot.**
