

Weeklong Camp for Children To WORK HARD & PLAY HARDER

Devora Scher, Psy.D.
NY & NJ Licensed Psychologist
Anxiety/OCD Specialist

TEANECK, NJ

Top 5 reasons Riding the Wave Camp is unique!

1

Our consecutive day schedule provides continuity for high quality cognitive behavioral therapy!

2

We creatively simulate fun exposure activities to yield desired treatment outcomes in a time-paced fashion.

3

Our camp offers powerful social support, helping meaningful friendships to develop!

4

Our 1:1 camper-counselor ratio allows us to closely attend to each child, promoting strengths and addressing problem behaviors in natural settings.

5

We're in-network with most Aetna plans!

WE ♥ OUR CAMPER!

Children 7-12 years old experiencing generalized anxiety, social anxiety, perfectionism, selective mutism, and OCD have enjoyed and benefitted from our cognitive behavioral therapy program.

Youth without specific mental health concerns also have joined us and benefitted as well.
