

## ***Toddler/Preschool***

We would like to welcome you to the Toddler and Toddler/Preschool Room. This room is full of energy and excitement. We are fun, loving, caring, and love to learn using our hands, eyes, and ears

## ***Classroom and Curriculum***

The Toddler/Preschool is full of fun areas from our kitchen and block area to our favorite area is our group rug where we enjoy reading, dancing, and singing songs together as group. you will often hear us chanting to "going on a bear hunt" and reading "brown bear , brown bear, what do you see ?" we love to get messy when we express ourselves with art and sensory materials. our daily routine is posted in the classroom. we walks on most days (weather permitting). it feels so good to explore and learn!

## ***Potty & Diapers***

The Toddler/Preschool Room has a bathroom with small toilet and potty seat where we encourage children to practice sitting on the potty once they are ready to begin their toilet training adventure. until then, diaper changes are schedule periodically throughout the day and as needed. for children ready for potty they will have many opportunities during the day to try and are greatly encouraged and praised.

## ***Cubbies and Communication***

Each child is assigned their own cubbies that is located in the back of the room, near the bathrooms. back oacks are hung on the wall and extra clothes in the bathroom. Weekly lesson plan are posted on procare app. The Toddler/Preschool room is a very special room filled with children who make every day memorable. Each child begins to build friendships with classmates and learn new skills from their ABC's to their 123's. Come take an adventure with us.
