#### **Cookout**

#### ***General Discussion***

We had another great turn out for our annual block party cookout. Many families came with amazing dishes. The event was filled with food, music and an outdoor movie with popcorn. We welcomed many new neighbors and tons of familiar faces.

WM association set up a tent and passed out neighborhood information, welcomed new neighbors and collected their info to add to our email list, passed out N.O.W. signs and collected yearly dues. We also held our nominations for the 2018 Waddle Melrose Board.

Also in attendance was C.A.S.A (community alliance of 7th ave). At the tent they let people know of the work that was being done toward the completion of the neighborhood Lyceum and they sold Lyceum Legacy Bricks. For more info about how to order a brick:
