Cookout

General Discussion

It was a wonderful night for the annual Woodlea Melrose block party cookout.

WM association set up a tent and passed out neighborhood information, welcomed new neighbors and collected their info to add to our email list, collected yearly dues and held nominations for the 2020 Woodlea Melrose Board. Baseball-style hats were given to those who volunteered at least 8 hours for the neighborhood tool shed. Donations were collected for Cultural Cup a local food bank. <http://www.culturalcup.com/>
