8/1-8/5 DINOJAUR ROMP:

It's a dazzling dinosaur party this week. Let's romp with the big guys and learn all about dinosaurs. We will "dig" up some dinosaur bones, make a dinosaur crayon rubbing and create our own dinosaur fossils! Let's go on a dino hunt, experience the volcanoes erupting and have a romping good time!

8/8-8/12 BEACH PARTY:

It's time for sand castles, beach balls and bathing suits. We will go whale watching, paint ocean animals and explore with watercolors & sand. Learning about life under water is super exciting! Wear your Hawaiian attire this week!
