

Picking Up Your Hopscotch Items

On the final Saturday of the event, you'll have the option to either pick up your unsold items or let them be donated — even if you didn't originally mark them for donation. Please note: anything left after 5:00 PM will automatically be donated, no exceptions.

👉 If You Chose to Donate Your Items:

You're all set — there's nothing else you need to do! After the sale, be sure to print your Unsold Items Report from your consignor account. If you marked items to be donated, this report serves as your donation record for tax purposes. If you didn't tag them as "donate" but choose to leave them behind, the Unsold Report will still serve as your list of donated items.

👉 If You Plan to Pick Up Your Unsold Items:

Pick-up runs from 3:00 PM to 5:00 PM. Any items not claimed by 5:00 PM will be donated. Bring something to carry your items — a laundry basket, tub, or box works great. We cannot guarantee we will have boxes available to use. Your updated unsold items list will be available in your account by 3:00 PM. Use this to help identify what you should be picking up. **We do not pre-sort items for pickup. This is a new policy starting Fall 2025.**

With hundreds of consignors and only a small number choosing to retrieve items, sorting became too time-intensive. Instead, you'll find your items in the areas where they were originally sold (for example, toy trucks in the boys' toys section, baby bottles in feeding, etc.). Need help? Our team is there to assist you with locating items.

We strongly recommend coming yourself if you plan to pick up. After you've gathered your items, check out with a staff member. They'll quickly verify you've picked up only your own items. If something is missing, we'll have a form you can fill out so we can reach out if it turns up. While we work hard to prevent loss, occasional issues like theft, misplacement, or forgotten drop-offs can happen—even big stores aren't immune.

Give yourself at least 30 minutes for pick-up, especially if you have a lot of items remaining.

👉 Where Donations Go:

Unsold items that are donated support local area charities in need.
