

Volunteer FAQ: Everything You Need to Know

Tent Parent

This is a high-energy role where you stay with the swimmers under our tents to keep them organized and ensure they get to the starting blocks on time.

Announcer / Master of Ceremonies (Home Meets Only)

You'll announce the names of every swimmer as they step up to the blocks and read the official results to keep the crowd pumped.

Timer

The best seat in the house! You use a stopwatch to record finishes for a specific lane.

Runner

A great way to get your steps in—you collect the time cards from the timers and deliver them to the scoring table.

Scoring Table

The Scoring Table is the "data hub" of the meet. Volunteers here compare the times from the cards, verify the order of finish, and enter the data into the computer. If you're detail-oriented and enjoy a slightly quieter (and usually shaded!) workspace, this is a perfect fit

Ribbons

A "sit-down" job where you help organize and label the awards for the swimmers after their races.
