With limited showing he was acquired in 2022 by HCH Ranch at which time he went into the reined cow and versatile ranch horse program. This gelding has good changes, spins correctly, and stops BIG. He is super cowey (finished cutter). We have roped both ends on this gelding out of the box and he has been used extensively outside on ranch doctoring, sorting pairs, dragging calves etc. He is soft in the bridle and between your legs. He will excel on the rail in ranch riding or trail classes. He is a great show, ranch, or trail gelding that stays broke.
