### **Beautification of Beach**

The Triangle has been cleaned and mulched. We thank George and Julie Abraham and Janet Dunn. Flags were installed by Steve Smith and Boy Scouts.

Hurricane Sandy and Irene. We will be less ambitious in fixing it up. All the sand has been removed, some plants survived. Railroad ties to be re-installed by Grove Gardens, planting will be minimum, mulching to be done by George Abraham and probably plants in pots or we might leave as is. Not worth to re-do all as Nature has its own mind. A big thanks to all those who helped with the cleanup.
